To,
Dear Director/ Correspondent,

Sub: NTSE-X class new notification-(2013-2014) stage I & II –Reg.

Warm Greetings from SriGayatri Group, the provider of quality education in a diverse and intellectually stimulating environment through its 66 branches state wide. It has been a wonderful experience to have great association with the dedicated, talented and service oriented people like you in the realm of education, serving the student community for so many years.

In the process of exalting the standards of education system, many changes have been brought out in the recent years. One of such is, the recently implemented grade point system at X class level which has certain advantages and disadvantages as well. The darker side of the coin is, it has shunned the year long hard work, from the notice of general public who appraise the performance of an institution/ student basing on the highest marks secured in the race.

In the present scenario, it is appropriate to mention the recent trends in the national level competitive exams like JEE Advanced, JEE Mains etc.. at +2 level and National Talent Search Examination (NTSE) at school level. At school level, in the coming days, the number of selections in “NTSE” exam in proportion to its strength will be a measure of performance of a school, just as the selection at IIT (JEE), NEET at the college level.

The NTSE, the most prestigious examination in the country at high school level (for X std students), conducted by the NCERT to identify and recognize students with extremely high intellect and academic talent, consists of two parts. part-1 consists of General Mental Ability test (MAT) for 50 marks and language comprehension for 40 Marks, Part-II of scholastic aptitude test (SAT) for 90 marks comprising social Sciences, Sciences and Mathematics.

SriGayatri wants to help the student community of X-class in preparing for NTSE by providing your students the MAT & SAT material and mock test papers free of cost. In this regard, we are very happy to state that, the MAT & SAT material supplied by us is useful not only for attempting NTSE; the SAT material is very much useful for X-class Bit paper as well.

“Wishing you all the very best in all your endeavors to nurture the student talent”.

Regards,
SriGayatri Group.

Note: 1) The NTSE 2013-2014 Notification.
2) The Application and Information.

For any further assistance regarding NTSE Programme feel free to contact: Mr C.V.Prasad(9581994455), Academic Director, SriGayatri Educational Institutions.
